

Are You Ready for 2025 in This Economic Environment?

Insights That Every CEO Should Know

Presented by:

NORTH STAR
Executive Network
www.northstarexec.com

We've rescheduled our event featuring Dr. Jeff Jacob.

This event is **now a Live Webinar** on Thursday, December 12th from 5:30 – 6:45.

Prepare Your Business for 2025:

Join us for an exclusive gathering of top business leaders and CEOs designed to spark ideas, drive strategy, and fuel your business growth.

What to Expect:

- **Invaluable Networking:** Connect with fellow CEOs and business owners. Walk away with fresh perspectives and at least one actionable idea to drive your business forward.
- **Expert Economic Outlook:** Dr. Jeff Jacob, renowned Economics Professor, will offer a sneak peek into the economic forces shaping 2025. From fiscal policies to Fed rate impacts, discover how the evolving financial landscape will influence your bottom line.
- **Key Business Questions Answered:** Should your focus be on government regulations, supply chain challenges, or customer behavior? Find out what really matters for your business in the year ahead given current economic indicators.

This event is your chance to engage in meaningful discussions and gain insights that will help you navigate the complex economic environment with confidence.

Please register now to receive a link to the webinar. Seats are limited, sign up today.
